3. Barriers to future attainment (for pupils eligible for PP, including high ability)
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)

A.	Oral language skills in year 3 are low. Not all children have reached the required standard in phonics at KS1 and this slows reading progress in subsequent years.	
B.	Richness of language is often limited due to lack of first hand experiences. This results in reading and writing comprehension at a higher order being challenging.	
C.	Poor comprehension skills / reasoning impact on mathematical understanding and attainment	
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)		
D.	Pupils dietary, health and social + emotional welfare needs are not always met	
E.	Attendance is low for certain pupils	
4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	1. Improve oral language skills for pupils eligible for PP in Year 3.	Pupils eligible for PP in Year 3 make rapid progress by the end of the year so that all pupils eligible for PP make expected or better progress.
	2. Phonological awareness improves Reading / Writing attainment and progress in Year 3.	All Year 3 children eligible for PP will meet the required standard for phonics. All Year 3 children eligible for PP will make expected or better progress in reading and writing.
	3. Attainment in RW across all KS2 improves. Progress across the KS is good or better than good.	% of pupils achieving ARS increases. Pupil make expected or better than expected progress
B.	Pupils develop a wide vocabulary and language skills which are reflected in their RW	End of Year KS results for reading /writing in KS2 improve. Internal tracking data for RW shows good or better than good progress.
C.	Improved comprehension skills and reasoning in maths.	End of Year KS results for maths in KS2 improve. Internal tracking data for M shows good or better than good progress.
D.	Pupils' health, dietary and social+ emotional needs are addressed.	Families access provision offered through school to support their needs.(school nurse/ Inclusion and Family Support worker / Attendance + Behaviour mentor/ EWO etc) Pupils are more emotionally prepared for learning- progress is made and needs met
E.	Pupils attendance improves to maximise progress and attainment	Improvement in attendance overall. Specific pupils targeted to attend in line with National expectations.
