

Dear Parent/Carers,

I would like to introduce myself as your child's new class teacher - Miss Barratt. We are also very lucky to have Mr Stokes working in our class. We are looking forward to an exciting year ahead and have developed a curriculum which will broaden the children's understanding of the world in a fun and interactive way. It also gives us the opportunity to take part in interesting visits in order to support our learning. This term our narrative focus will be Charlie and the Chocolate Factory to link in with Roald Dahl day and also the children will be learning about the first settlers in Britain.

This Autumn term we will also be learning about Digestion and the need for water through Science. In PE the children will be taking part in OAA (Outdoor adventurous activities) and working on their team work skills. Throughout this curriculum we will also be teaching your children how to be ready to learn and safe online. They will also be spending time in our outdoor learning area, taking part in Forest Schools.

Below is a list of important things to remember for you and your child:

Tuesday - Children will need indoor/outdoor PE kits in school.

Wednesday- Miss Straw will be covering the class from 8:45 onwards. Forest Schools Day (old clothes needed). Then Mrs Frow will be covering the class until 12:00.

At least one piece of Creative homework is expected in once the homework sheets have been given out.

Friday- Golden time and mentions.
Spelling test.

Please make sure that your child reads 5 times a week and that you record this in the dates section of their diary.

I look forward to getting to know you and your child further.

Yours Sincerely,
Miss Barratt
