

SKEGBY JUNIOR ACADEMY

Dear Parent/Carers,

This term, Years 5 are focussing on the history topic of the Anglo Saxons. They will be looking into the Anglo Saxon invasion of Britain and how their law and order has influenced Britain today.

In Science, the children will be learning about Space and the Solar System. In the final week of this half-term, we will be visiting The National Space Centre in Leicester which will provide the children with a unique opportunity to consolidate and extend their knowledge of Space. More details regarding the trip will follow shortly.

In P.E we will be concentrating on indoor athletics and building a range of skills with the children. We are also hoping to attend inter-school competitions later in the year with children that would like to compete!

Here are reminders of our weekly timetable:

Tuesday - One piece of creative homework to be handed in each week.

Wednesday - Forest School kit (old clothes and wellies) will be needed in school.

Thursday - Children will need indoor/outdoor PE kits in school (school shorts and t-shirt or when outside, children can also bring jogging bottoms and a jumper - grey or black).

Friday - Reading signatures checked. Please aim to hear your child read 5 times per week for at least 15 minutes and sign on the appropriate page in their diary. If your child is an able reader they can read independently as long as their diary is signed by you.

We look forward to a great half-term

Yours Sincerely,

Mrs Boyle, Miss Straw, and Mrs Burdon

P.S. Please make sure all of your children's uniform (including PE kit) is labelled clearly with their names.
