

Children should complete one piece of homework each week so that at the end of each half term every curricular area has been covered.

The children should complete a minimum of 25 points over the half term. The first piece needs to be handed in on Wednesday 11th January 2023

Curricular Areas	KNOWLEDGE AND COMPREHENSION What do I know and understand?	APPLICATION Can I apply and show what I know?	ANALYSIS What can I question, compare and analyse?	SYNTHESIS What can I create?	EVALUATION Can I evaluate and make judgements?
I enjoy being scientific	Draw an example of something that uses up-thrust to function.	Draw and label a diagram showing gravity at work.	What is the difference between how water resistance and accelerating force work?	Can you design and create a parachute to test air resistance? Send us pictures.	Carry out and write up an experiment to show how you have separated several materials (by either sieving or evaporating)
I enjoy painting, drawing and visualising	Draw the U.K map and then label the Anglo-Saxon kingdoms.	Create a menu with enticing images for a menu that would have been eaten by Anglo-Saxons.	Design and label a piece of jewellery in Anglo-Saxon times.	Create an Anglo-Saxon boat.	Create and design a piece of Anglo-Saxon armour. Would it be effective to protect and why?
I enjoy being active and doing hands-on activities	Make up a warmup activity that can be used in PE.	Video yourself completing two or more athletics activities. For example, speed bounce or long jump.	Complete two different exercises of your choice, taking your pulse rate at the end of each and compare how they differ. Can you explain why?	Design and create a 3d model of an obstacle course.	Find an Anglo-Saxon game - play it and evaluate it.
Points per activity	2	4	6	8	10
