

# SKEGBY JUNIOR ACADEMY

Dear Parent/Carers,

This term, Year 6 are focussing on the history topic of the Mayans by using our designing skills to create Mayan masks, worry dolls and recipes, whilst developing an understanding of the culture and society and where this fits in on a timeline.

In Science, the children will be learning about how our bodies change and the emotions that go with these changes. We will also be covering the statutory Relationship and Sex Education Curriculum. We will send you more information about this soon.

In P.E, we will be focussing on orienteering skills as well as practising for fun sports, which will include track and field events in preparation for sports day (more information to follow). Some professional coaches will also be coming in to teach the new sport of Quidditch, where we will learn the rules and participate in an inter-school tournament. Skills that are learned on this day will be transferred into the game into our PE lessons each week.

Year 6 will be performing The Lion King at the end of term so rehearsals will be commencing soon. More information about the dates and tickets will follow over the next few weeks.

Year 6 also have the opportunity to camp on the school grounds on the last week of term to celebrate their time with us. Yet again, a letter will be sent out giving you all the details.
