## Parents' Evenings

Information about Parents' Evenings has been sent out this week and the booking system is now live. If you have any difficulties booking an appointment online, please contact a member of our office staff who will be happy to help.

## Healthy Snacks

One of our SMART Values is *Active and Healthy*, to support this we encourage our children to eat a healthy diet, including a healthy snack at break time. Snacks are available to purchase in school, through ParentPay or children may bring a healthy snack from home. This means sweets, lollipops and other snacks with a high sugar content should not be brought into school. Thank you for your support.

## Forest School Kit

I would like to remind everyone that when it is your child's forest school day, they need to bring their forest school kit to school, in a named bag and wear their uniform to school as usual. During forest school children often get dirty or wet so they need to be able to change back into their uniform after the lesson.

I hope you all have a lovely weekend; I am looking forward to seeing the children on Monday.

Kind regards,  
Mrs Marples.  
Principal.
