## Year 3 Parent Questionnaire

Dear Parents and Carers,

We were very pleased to welcome your children to Skegby Junior Academy in September and feel it has been a very positive start to the year. As the children have now had a chance to settle, and you have got to know us a little better, we would like to hear your views about their transition from infant to junior school.

We worked very closely with Healdswood Infant School to develop the transition arrangements and would like your support in assessing how well it went from your perspective, and if there are things we could do that would improve it further. We would really appreciate it if you could spend a few minutes to complete the short survey below, to provide us with some valuable feedback.

Please return the form on the reverse of this letter to the main office or to your child's class teacher by Friday 26<sup>th</sup> October. All completed forms will be entered into a prize draw for a shopping voucher.

Thank you for your support,

Mrs Marples.

Principal.
