Year 6 SATs Revision Guides

Dear Parents/Carers,

As you know, the Year 6 pupils will be taking their SATs tests this year in May. We would like to offer parents the opportunity to purchase revision workbooks for the core subjects which offer extra practice for children to complete in their own time.

This year, we are suggesting a series of books produced by CGP, from their 'SAT Buster' series. We like these workbooks as they are made up of either '10 minute tests,' or a selection of topics, which means children can complete extra practice in frequent but short bursts.

Please note that there is **no expectation that parents must buy these books**, and that we will of course be carrying out revision in school as well. However, in the past parents have been keen to know what extra they can do to support their children, and so we would like to offer this as an option. (As a school, we are also able to purchase the books at the reduced prices shown below, which delivers a saving of over 50% to you.)

If you wish to order any of the workbooks, please complete and return the form to the office and pay online using your child's sQuid account by January 18th (to receive the books by January 31st).

Thank you for your continued support.

Any questions, please don't hesitate to contact me.

Miss Graney
