Poster Competition

Dear Parents/Carers,

As part of our attempt to keep our Academy bully-free, the School Council are planning a poster competition. We would like your child to design and create a poster that we can put up around the Academy to remind everyone how important it is to speak up about bullying. The winning posters will be laminated and put up both inside and outside for everyone to see.

The competition will also be judged, by the Anti-Bullying Committee, as a team competition and the winning team will be awarded the trophy for this half term.

The closing date for entries is Monday 28th January 2019. Please make sure that your child's name, year group, class and team are written on the back of their entry.

Yours sincerely,

The School Council

One of the Greenwood Dale Foundation Trust Group of Academies
