

# SKEGBY JUNIOR ACADEMY

Dear Parents,

We frequently remind parents not to use the Ash Grove entrance and car park because of the narrow access road and a full car park of staff / visitor cars.

Although we have a safe walking area for children, many parents are still using the staff car park to drop off and collect their children. This has made it dangerous, not only for the children and other pedestrians, but staff cars have been hit on several occasions.

The staff car park gate will be open until 8.30am for parents dropping their children off at Breakfast Club. It will also be open from 3.15pm for parents collecting their children from after school clubs. Please make sure your children are supervised through this tight, busy space at these times.

The staff car park gate will be shut at all other times so that any danger is eliminated. If you require access to the disabled parking space, please call the academy to arrange for the gate to be opened for you. The pedestrian access will still be open.

We are installing an electronic gate during October half term. This will remain closed at all times. Access will be given through buzzer/intercom system and will only be granted to those with a valid disabled badge or for exceptional circumstances agreed to in advance by the Principal.

I would like to take this opportunity to remind you that we have a parent car park on Manor Road that gives access to the academy at drop-off and collection times, as well as for assemblies, etc. Please can I ask that you use this car park whenever possible.

Many thanks for your understanding. If you have any concerns, please do not hesitate to contact the academy.

Mr Pattison  
Principal
