Dear Parents/Carers,

It is such an important skill for our children to be able to read confidently and fluently and we always strive to develop the love of reading as much as we can at Skegby Junior Academy.

We would like to know if any parent or carer would be interested in coming in to our school during the afternoons of the Summer term and listening to some of our children read. This would give our pupils more opportunities to be heard reading, therefore developing their confidence and their reading for enjoyment.

The details, such as times and which children who read, can be arranged with yourself and your child's class teacher to suit everyone. If you are interested in being a volunteer and listening to children read, please fill out the slip below to indicate which afternoon would be convenient for yourselves and return to your class teacher. Mrs Hamilton will then contact you to arrange your DBS security check, followed by the class teacher contacting you for a chat to arrange the day and times. We would appreciate any help and thank you in advance for your support.

Yours Sincerely,

Mrs Boyle

## Reading Volunteers

I am interested in becoming a reading volunteer for my child's class.
