Bikeability Training

Dear Parents/Carers,

Our Year 5 children have been given the opportunity to take part in Bikeability training during the next half term. (11th & 12th March) Trained officers come into the Academy to work with the children to teach them how to ride their bikes safely on the roads.

Some of the training will take place on the academy grounds and some on the surrounding roads (only quiet local roads, not the main one). Although the officers lead the training, a member of Academy staff will be supervising at all times.

Your child has expressed an interest in being considered for this training. In order to take part, they need to be able to **ride a bicycle without stabilisers**. They also need to have a **bike that is in good working order**, with **fully functioning brakes** and be able to get their bike to school on the training days. They will also need to wear a **helmet that has no damage**.

There are a limited number of spaces on this training and it will be offered on a first come, first served basis. If you would like your child to take part, please complete the attached consent form and send it back to school as soon as possible. It must be handed into the office or to Mrs Boyle or Miss Straw.

We hope that your child will benefit from this valuable and possibly lifesaving training.

Many thanks

Mrs Boyle & Miss Straw
