

Year 6 Standardised Assessments May 13th - 16th

Dear Parents/Carers,

As the Year 6 SATs are next week, we just wanted to remind everyone how important it is that the children are on time for the start of the day. If they are unwell, please do still send them, or phone school as early as possible so that we can try to arrange to get your son/daughter into school. The tests have to be completed and it is much better for them to do them at the same time as everyone else.

The children have worked so hard this year and you should be incredibly proud. Please try to support us by encouraging them to get plenty of sleep over the weekend and throughout the week so that they feel ready to work hard and achieve their best. We will be running a FREE breakfast club for the Year 6 children, so please do send them in from 7:45 so that they arrive in school in plenty of time and have the chance to have a good breakfast before the start of the day.

If your child does not want to come to Breakfast Club, please make sure that they arrive in school before 8:45, so that they are here without having to worry about being late.

We hope that the children approach the week positively and see it as an opportunity to show us what they have learned over the past few years.

Thank you for your support

Miss Graney and Mrs Bland
