Dear Parents/Carers,

Due to many other exciting opportunities coming up for the children at the academy, there will be changes to our Forest School timetable.

During the week commencing 1st July 2019, the children are taking part in a Science Day followed by 2 transition days. Children will still be taking part in a short Forest School session therefore, we ask that the **all children bring Forest School Kit on both Tuesday 2nd and Wednesday 3rd July** to ensure that they are prepared for the session.

The following two weeks, commencing 8th July and 15th July, all children will be going swimming. Unfortunately, this means that some children will have to miss Forest School sessions during those two weeks. Please see the timetable and ensure that your child has their kit in school as follows:

Monday 8th July - Year 3 (Willow and Hazel)

Wednesday 9th July - Year 5 (Oak)

Monday 15th July - Year 3 (Willow and Hazel)

Wednesday 17th July - Year 5 (Oak)

Due to the changes to our timetable, parent volunteers will not be needed in school during these three weeks unless you are available to support in the above four sessions. All of these sessions are during the afternoon, 1pm-2:30pm, and we would be very grateful for any help!

Please contact the academy if you have any queries.

Thank you for your continued support,

Miss Straw

One of the Greenwood Dale Foundation Trust Group of Academies
