Poster Competition

Dear Parents/Carers,

Many of our children are concerned about the environment so the School Council have chosen the theme "Save our Planet" for our annual poster competition. We would like your child to design and create a poster that we can put up around the Academy to remind everyone how important it is to look after our planet. There are many aspects within this theme so your child may choose more than one for their poster. The winning posters will be laminated and put up, both inside and outside for everyone to see.

The competition will also be judged, by the School Council, as a team competition and the winning team will be awarded the trophy for this year.

The closing date for entries is Monday 3rd February 2020. Please make sure that your child's name, year group, class and team are written on the back of their entry.

Yours sincerely,

Mrs Marples and The School Council.

One of the Greenwood Dale Foundation Trust Group of Academies
