Friday 12th June

Dear Parents and Carers,

I hope you are all well and staying safe.

As from Monday 15th June, all staff who are able to work on site will be back in school, to allow us to open our Year 6 Class and still accommodate the children of Key Workers and vulnerable children. This means we no longer have any staff who can cover if a member of staff is unable to work due to illness. Due to restrictions caused by Covid-19 we are unable to use supply staff from agencies. If both staff from your child's group (bubble) are ill, we will need to close that bubble until staff have recovered. It may be helpful if you have a plan in place should your child not be able to attend school.

I would also like to remind you about the rules around self isolating. If a person has symptoms, they must self isolate for seven days and their family for fourteen days. It may also be necessary to close bubbles in school if anyone has symptoms to allow for self isolation and deep cleaning. If we have any confirmed cases of Covid-19 (anyone with a positive test), we will need to close the whole school for a number of days to allow for a deep clean. Once again, I would advise everyone to have a plan in place should this happen.

We have worked really hard to make our school a safe place and I hope we do not find ourselves in any of the above situations. I feel however, that it is only fair to explain to you what could happen over the coming weeks.

Thank you for your continued support,

Kind regards,
Mrs Marples.
Principal.
