Tuesday 4th May 2021

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day again on **Friday 14th May**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 25 seconds

Making maths meaningful:

The children will be taking part in activities all to do with numbers throughout the day, with the intention of raising money for NSPCC. We have taken part in Number Day previously and it has always been a great success.

We have planned a variety of number activities for the children to take part in as part of our Number day including:

- Timed challenges
- Maths quizzes
- Number of the day
- Who wants to be a mathionaire
- Fraction frenzy and lots more!

We ask that children please **come in clothes with some sort of digits (numbers) on them** (for a class challenge) and make a donation for coming in non-uniform.

We look forward to an exciting day of making maths meaningful and fun!

Thank you for your advance in support,
Miss Nagelsztajn
Maths coordinator
