Friday 7th May

Dear Parents and Carers,

I would like to begin by telling you how proud I am of our children! Over the past few weeks we have had a number of visitors from the Trust and they have all been so pleased with the children's behaviour and conduct and their attitude towards their learning. Well done everyone! I am also very pleased to say that we are now able to welcome Sports Coaches back into school and our Basketball Coach is so impressed with both our Year 6 classes. An extra well done to Year 6!

Dinner Money

From September 2021, we will be increasing the cost of school dinners to £2.30 per day. This is still very good value for money as the meals are cooked on site and the children have an extensive daily choice. Many families are entitled to free school meals so I would urge everyone to check and apply if you meet the criteria. I know some families don't claim their free school meals as children prefer sandwiches from home but if you apply and meet the criteria then your child will be able to have a free meal whenever you choose. This also includes Christmas dinner. If you are unsure about applying, please contact our Academy Office.

Parking

We have had a number of phone calls from local residents regarding parent parking. I would like to encourage everyone to park with consideration for other parents and local residents, allowing access to drives and turning points. Thank you for your support in this matter.

Behaviour on the way to and from school

We have also had a number of concerns raised about the behaviour and safety of our children on the way to and from school. Please could you remind your child about road safety and respectful behaviour – thank you. Children's safety is everyone's main priority.

Nail Varnish and Make-Up

Nail varnish and make-up are not part of the Academy Uniform Policy, please ensure both nail varnish and make-up are removed before children come to school. Thank you.
