

Year 4 Homework Menu: Wet'n'wild! Due date: One piece every Thursday beginning 15th June.

Children should complete one piece of homework each week so that at the end of each half term every curricular area has been covered. The children should complete a minimum of 30 points over the half term.

Curricular Areas	KNOWLEDGE AND COMPREHENSION What do I know and understand?	APPLICATION Can I apply and show what I know?	ANALYSIS What can I question, compare and analyse?	SYNTHESIS What can I create?	EVALUATION Can I evaluate and make judgements?
I enjoy reading, writing and speaking	Find 3 new words from your reading book and define them.	Write 3 for and 3 against arguments about not having a morning break in school.	Write a letter to our local MP telling them how you think our local area needs to improve. (Does something need adding or fixing?)	Create a poem about your local area.	Write a balanced argument about a topic of your choice. Remember to include for and against arguments.
I enjoy working with numbers	Find 5 different TV shows. Write down what time they start, what time they finish and how long they are.	Design and make your own 3D shapes out of recycled items. Be creative.	Compare flags from two different countries and describe the similarities and differences, according to what shapes/lines they have (e.g parallel/perpendicular)	Create your own flag using a range of different shapes/lines.	<u>Investigate the following question:</u> Is a shape with fewer sides easier or harder to construct than a shape with more sides? Show with photos and explain your findings.
I enjoy being scientific	List 3 solids, 3 liquids and 3 gases.	Draw diagrams to show the particles in solids, liquid and gases.	Draw and label the process of changing a state of matter e.g. a solid into a liquid could be ice melting to water.	Draw and label the water cycle.	Create a model of the water cycle in a creative way.
I enjoy painting, drawing and visualising	Find an interesting fact about the work of L S Lowry.		Draw a picture showing the view outside a window in your house – it is your choice which window you choose!	Recreate a piece of art in the style of L S Lowry.	Find two different pieces of art by L S Lowry. Write your own evaluation that compares the two pieces. Which one do you prefer and why? Are there any similarities between the two?
I enjoy being active and doing hands-on activities	List 5 activities we could compete in for sports day.	Design and create a model of an obstacle course for sports day.	Write a commentary for a sporting event that you watch. Include as much information as you can about what happens during the event.	Create a dance to represent a natural disaster. Be prepared to perform it to your class.	Work with a partner to improve their sprinting. Write a report on the improvements they have made and what they still need to work on.
Points per activity	2	4	6	8	10
