Friday 14th January

Dear Parents and Carers,

I hope you all had a wonderful Christmas, making lots of special memories and I would like to wish you all a Happy New Year.

You should all have received your curriculum letters, from your child's class teacher, outlining what your child will be learning this half term. I am pleased to say that the children are once again settled in their routines and working hard.

Face Masks

I would like to remind all parents and carers that if they are coming into the school, for any reason, then they need to wear a face covering, at all times, please. Thank you for your cooperation in this matter.

Remote Learning

I am sure you are aware that some schools have had to close or partially close and ask children to learn remotely again, due to staff shortages. We will do everything we possibly can to remain open, but please make plans for your child in case a closure and remote learning is needed for a short period. If this does happen, you will be notified by text so please ensure the Academy Office has your correct contact details. Thank you.

Academy Uniform

Our New Year's Resolution this year is *to take pride in everything we do*. This includes appearance and wearing the correct academy uniform. Please can you support your child with this by ensuring they have the correct uniform, including their tie and school shoes? The majority of our children look extremely smart every day, but staff have noticed that there are some children without ties and school shoes. We have *pre-loved* uniform in our office which is available at a small cost. We also carry a small stock of new uniform and details of how to order direct from the supplier is on the Academy Website.

Allergy Information Form– Natasha's Law

Your child will be coming home with a form for you to complete regarding allergy information. We need the forms returning to us by Friday 21st January. To comply with Natasha's Law the school requires a form for every child. If your child does not have allergies, please tick the relevant box and return to school.
