Friday 4th January

Dear Parents and Carers,

I would like to begin by thanking everyone, once again, for supporting our Number Day, we raised an amazing £222.50 for the NSPCC!

ParentPay

This week everyone should have received a letter asking them to register for ParentPay. It is very important that every child is registered (including children receiving free school meals) as after Easter children will no longer be able to order lunch daily in class and all school meals (including free school meals) will need to be ordered via ParentPay in advance.

Parents' Evenings

I would like to remind everyone that we have our Parents' Evenings next week. If you haven't booked your appointment yet, please do so online. If you are experiencing problems with our booking system, please contact the Academy Office and Mrs Warren or Mrs Dove will be able to help.

Comic Relief Day

On Friday 18th March we will be supporting Comic Relief. Our School Council members have requested that all children come to school dressed in as many different colours as possible and as "whacky" as possible! This includes hair styles too! They have also asked that everyone tries to include something red in their outfit. In return, they are asking for a donation to the Comic Relief charity.

Easter Themed Day

On Friday 1st April we are having an Easter themed day, where children will be taking part in lots of different activities. We will also be holding class competitions for the best decorated egg and the best Easter Bonnet; we would like to encourage every child to enter at least one, if not both of our competitions. There will be 1st, 2nd and 3rd prizes in each class.

This day will also be a non-uniform day and we are asking for a donation towards our curriculum enhancement fund please.
