		Dance (Jive)				Athletics (Sports day practice)

- Any provision highlighted in blue indicates this has been taught by an external provider.
- Please note that our medium term plans supporting the P.E curriculum journey are progressive and inclusive and are accessed from various resources. To support sustainability a copy of each plan is on our academy's system.
- In addition to this, every child across our academy is timetabled into exciting physical activities at break times and lunchtimes to meet the '30 minutes a day' requirement.
- We also provide enrichment days (e.g quidditch, judo and archery) to support children's physical and mental well-being. These exciting days provide children with exposure to less traditional sports and games outside of the national curriculum. These days is funded by P.E and Sport Premium.
