Due date: We will celebrate homework every Wednesday.

Brazil, Scientific Investigations and Forest School activities

Your child needs to bring their homework into school every Wednesday, starting from Wednesday 14th September. Points will be recorded for every piece sent in and prizes will be awarded at the end of each half term. Children will be awarded certificates if they achieve 20 or more points for the half term.

Curricular Areas	KNOWLEDGE AND COMPREHENSION What do I know and understand?	APPLICATION Can I apply and show what I know?	ANALYSIS What can I question, compare and analyse?	SYNTHESIS What can I create?	EVALUATION Can I evaluate and make judgements?
I enjoy being scientific	What are the key skills for being an effective scientist?	Create a job advert for a scientist role, include skills required and potential salary.	Research a famous scientist (female or male) and analyse their key discoveries or inventions presenting in any way you choose.	Plan and conduct an investigation of your choice. Think of a question that you would like try and answer.	Create a career route showing how you could become a scientist.
I enjoy painting, drawing and visualising	Draw a sketch of a famous landmark in Brazil and label it.	Design a piece of art showing children who are not safe when on social networking.	Create a map of Brazil. Consider using different materials and techniques and be prepared to justify your choices.	Using recycled materials, create a model of a Brazilian landmark.	Choose a Brazilian artist and create an image in their style.
I enjoy being active and doing hands-on activities	Create a poster of the key steps of a Samba dance.	Choose a poem to learn and perform to the class. Include actions.	Use natural resources to create a samba style drum.	Create your own trail for someone else to follow in a garden/park using natural resources. Take a photograph and stick it into your book.
